Give the Kiddies Bread Between Meals

The full bread box stands for contentment in the home -just as the "full dinner pail" spells contentment in the labor world.

Bread is an energy food—the most satisfying and delicious of all foods.

Children use up more energy than grown folks realize.

Keep your bread-box well supplied with Bread-EEST OF ALL FOODS. Let the kiddles run there naturally when they come in.

Watch your little people grow sturdy, rosy, vigorous as you double their daily portion of creamy white Bread.

Connellsville-baked Bread is Bread at its Best-always pure, tempting and nutritious.
